Fields Institute Fellows 2019

Fields Institute Fellows are individuals who have made outstanding contributions to the Fields Institute and to the Canadian mathematical community.

We congratulate the 2019 inductees:

Roberta Buiani,
York University

James Mingo,
Queen’s University

Mayer Alvo, University of Ottawa
James G. Arthur, University of Toronto
Martin Barlow, University of British Columbia
Kai Behrend, University of British Columbia
Nantel Bergeron, York University
Edward Bierstone, University of Toronto
Allan Borodin, University of Toronto
Jean-Pierre Bourguignon, Institut des Hautes Études Scientifiques
David Boyd, University of British Columbia
David R. Brillinger, University of California–Berkeley
Hermann Brunner, Memorial University of Newfoundland
Arthur Carty, National Science Advisor, Government of Canada
John Chadam, University of Pittsburgh
Jennifer Chayes, Microsoft
Stephen A. Cook, University of Maryland
Jennifer Chayes, Microsoft
John Chadam, University of Pittsburgh
H.S.M. Coxeter, McMaster University
Walter Craig, University of Toronto
Henri Rene Darmon, McGill University
Donald Dawson, Carleton University & McGill University
Kenneth R. Davidson, University of Waterloo
Ron Dembo, Zerofootprint
Antoine Deza, McMaster University
Radford de Peiza, University of Toronto
Schools
George Elliott, University of Toronto
Joel Feldman, University of British Columbia
Peter Fillmore, Dalhousie University
John B. Friedlander, University of Toronto
George Gadanidis, University of Western Ontario
John Gardner, RGA Canada and Angoss Software
Alan George, University of Waterloo
Nassif Ghoussoub, University of British Columbia
Thierry Giordano, University of Ottawa
Mark Goresky, Institute for Advanced Study
Matheus Grasselli, McMaster University
Stephen Halperin, University of Maryland
Gila Hanna, OISE–University of Toronto
Gila Hanna, OISE–University of Toronto
Janet Halliwell, JE Halliwell and Associates Inc.
Megumi Harada, McMaster University
Bradd Hart, McMaster University
Susan Holmes, Stanford University
Huaxiong Huang, York University
John Hui, Rotman School of Management
Tom Hurd, McMaster University
Rick Jardine, University of Western Ontario
Lisa Jeffrey, University of Toronto
Vaughan Jones, University of California–Berkeley
Richard Kane, University of Western Ontario
Nicky Kamran, McGill University
Manfred Koehler, McMaster University
Donna Kotsopoulos, Wilfrid Laurier University
Stephen Kudla, University of Toronto
Izabella Laba, University of British Columbia
François Lalonde, Université de Montréal
Peter Lancaster, University of Calgary
William Langford, University of Guelph
Anna Lawniczak, University of Guelph
Miroslav Lovric, McMaster University
Barbara Lee Keyfitz, Ohio State University
Mark Lewis, University of Alberta
Angus Macintyre, Queen Mary University of London
Jerrold E. Marsden, California Institute of Technology
Gregory Margulis, Yale University
Dragana Martinovic, University of Windsor
Robert McCann, University of Toronto
John McKay, Concordia University
John Mighton, JUMP
Moshe A. Milevsky, York University
Robert Milner, Institute of Technology
Robert V. Moody, University of Alberta
Eric Muller, Brock University
Ram Murty, Queen’s University
V. Kumar Murty, University of Toronto
Adrian Nachman, University of Toronto
Matthias Neufang, Université Lille 1
Peter J. Nicholson, OECD–Paris
George O’Brien, York University
Ami Oza, Princess Margaret Hospital
Josef Paludan, University of British Columbia
Edwin Perkins, University of British Columbia
Nicholas Pippenger, Princeton University
Robert Pritchard, Bank of Montreal
William R. Pulleyblank, IBM
Jeremy Quastel, University of Toronto
Bruce Reed, McGill University
Nancy Reid, University of Toronto
Larry Rice, University of Toronto Schools
Carl Riehm, McMaster University
Elaine Riehm, Author
Dan Rosen, Riz Financial Technologies Inc.
David Ruud, Sigma Analysis and Management
Thomas Salisbury, York University
Luis A. Seco, University of Toronto
William F. Shadwick, Finance Development Centre, London
Michael Shub, University of Toronto
Michael Sigal, University of Toronto
Claudine Simson, LSI Corporation
Margaret Sinclair, York University
Siv Sivaloganathan, University of Waterloo
Gordon Slade, University of British Columbia
Victor Snaith, McMaster University
Patrick Speissegger, McGill University
Juris Steprans, York University
Cameron Stewart, University of Waterloo
James Stewart, McMaster University
Catherine Sulem, University of Toronto
Eva Tardos, Cornell University
Peter Taylor, Queen’s University
Tamás Terlaky, McMaster University
Mary Thompson, University of Waterloo
Steve Todorovcic, University of Toronto
Nicole Tomczak-Jaegermann, University of Alberta
Karen Uhlenbeck, University of Texas
Matt Valeriote, McMaster University
Claire Voisin, Collège de France
Stephan Watt, Western University
Daniel Wise, McGill University
James S. Wong, Chinney Holding Company Ltd.
Jianhong Wu, York University
Noriko Yui, Queen’s University
