

MATH FAIR

CONFERENCE

Friday, May 5, 2006
9:00 am to 4:00 pm
The Fields Institute for
Research in Mathematical Sciences
222 College Street, Toronto, Ontario

“It has changed the attitude of many children towards mathematics, and their teachers also said that their general performance, as well as problem-solving skills, have improved, mainly because they have become interested.”

*– Andy Liu,
Award winning math professor,
University of Alberta.*

CALLING ALL MATHEMATICS EDUCATORS!

Join us for the launch of SNAP Math Fairs in Ontario. Turn your students on to mathematics with this interactive carnival of mathematical puzzles, and learn how to organize one at your school.

A real math fair will be featured for you to see and there will be many fantastic speakers, including Ed Barbeau from the University of Toronto.
